Hello World!

I’m actually making this website from Apple Notes. Yes, that Apple Notes, the one on your phone!

I’ll be testing this thing out, and I gotta say it’s pretty rad!

It even renders the pictures here too.

Possibly does rich links as well...

<https://github.com/montaigneio/montaigne>
That’s this project’s Github link...

Aww dang, no rich links here. Oh well, plenty of other cool stuff to mess with here.
